SENIORS

Walter Edward Gillam

Walter is one of these bashful looking boys, but his appearances are deceiving. Don't be surprised! Along with these social qualities he is studious, but if there is any fun around you may as well look for Walter's black hair, for he is sure to be there. Here's luck Walter and plenty of it.

Glee Club

Willard Dempsey Moore

Willard is a quiet, unassuming boy, but he is the life of the party at the parades. His deportment is, also, to be admired. He is a good sport, and is always willing to go with him anywhere, anytime. One with such an amiable disposition as Willard's is sure to win many friends.

Baseball, Basketball, Football

Alfred is a jolly, jocund boy. He is a cheerful and capable boy, always ready and willing to assist in any activity. He is true and sincere in his friendships, industrious and amiable. He is his mother's cheerful at all times. "A jolly good boy" are words that truly fit him.

Alfred J. A., Football, Basketball, Track, Athletic Department, G. M. C.

Patricia Doyle

Patricia is one of the prettiest girls in school, known all over school, and tries to help everyone she meets. Although she sometimes gets angry, her anger dies away as quickly as it comes. She believes in justice and equality, is interested out to others as well as herself. She is popular with all the other girls. Chorus because of her influence. Patricia's influence was very strong last year, but "she has lost it" this year.

Sec. S. C. A., Freshman Class,

Elsie Walker (Left) &
"The Little 'Lily' (Right)

"Who doesn't know the sweet, rosy-cheeked, blushing little girl in the class of Elsie? If not, get acquainted with her, for it is indeed a great pleasure. She always has a sweet smile on her face, making brighter the entire room she enters or she associates. Don't you think, Elsie, say that smile of yours will brighten our future."

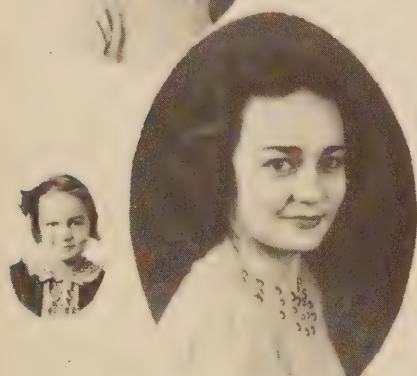

Glee Club, Art and Craft

Jeanette Foye (Left) &
"Jest and Youth" (Right)

Jeanette is a girl who "has a blue," who is sterling character, yet possessing just enough foolishness and light-heartedness to make her endearing.

Vice-president, Senior Class,
S. C. A. Treasurer, Art and Craft

Lucy Ramona (Left)

"If she will, she will, if she won't, she won't; it's up to it; if she won't, she won't, it's up to it; if she won't, she won't, it's up to it."

That's how Ramona got that name, we don't know, but we know that she is a good girl, and that's what Jacqui, the baby of the family, says. She can "Master books" as well as "Master men." Ramona likes to be a friend and helper. We all trust her, and we are sure of her success in her chosen career.

MARGARET IN THE BIRTH

"What a jolt of her tongue and a file of
teeth,
he's pulling over with fur to her finger
tips."

Margaret, the 'bad' of the
Vixen Girls.

Secret to her success, that she may
start it first in the hearts of her friends
and then lose it in her classes.

ALBERTA JOYNER

"There is never any doubt as to how to
find Margaret. If you hear a deep, thrilling
or an excited voice or gaily laughing
that's her. She is an excellent
subject for many cooperative
activities & especially letter writing, tri-
nity. She is a fish her great success."

C. C. A., Annual Staff,

PAULINE VINCENT

"True to herself
True to her friends
True to her duty always."

"She is quiet, sweet, shy,
but the kindest & most dependable. The longer
you know her, the better you like her, and
the more you appreciate her real worth.
Her sunny disposition has a very won-
derful success."

MARY MCMURTRY

"She is a maid filled with spirit that
invariably bubbles over at the wrong
moments. Full of school spirit she often
will go and root so long and loud that
she can't do justice to her lessons the
following day. It takes Jean to put up
with her, but she is a good girl."

Estelle Theresa Pendall: "Bobby" is laughing, funloving but demure, a loyal friend, and good pal. This little maid's unselfish ways and untiring energy have won her a place in the hearts of all who know her.

Jean Beatrice Flowers: Jean is very necessary to the junior and senior classes. "Small but loud" expresses her. Although she is small, she makes her presence known by her never-ceasing tongue. Her talkativeness, mingled with her good humor has made her a favorite with all.

Marie Hall: Marie believes in the motto, "little girls should be seen but not heard". Quiet, but determined, she is destined to make her way in the world and also to find time to enjoy life in the fullest.

William Edward Jordan: Many and many times in the last three years a very quiet studious looking boy has been seen passing through the corridors of Jarratt High. His profile greatly resembles an arrow collar ad and his appearance is pleasing to all.

Irwin Wood Mitchel: Irwin is one of those good-natured boys that you can't help liking. Worry and care hardly enter his mind. But is he bright? Well, one look will convince you.

Richard Nelson: "He has been weighed in the balance and not found wanting, but no scale is great enough to measure his true worth." Dickie is sincere and reliable. In spite of his gentleness, he has a most fascinating combination of wit and mischief.

Oretha Powell Owen: "Cheeter" is what we call her,
But "Smiles" is a better name,
For it matters not where we see her,
Her smile is always the same.

Senior Farewell

We the Juniors of 1947, realizing that the time is soon coming when you will have to leave us, want to express our gratitude for the help you have given us and also for the good example you have set for us to go forth in the world as you will go.

We thought this would be a happy day, but as it draws nearer, we find it hard to face.

Dear Seniors, we will miss you terribly and things won't be the same without you. We hope that you will find all the happiness and success that life can give to you.

FAREWELL SENIORS!.

JAMES PRINCE is a regular

And at annoying the girls,
he is best.

MELVIN LEONARD, who sometimes complains,
Gives his poor typewriter all the blame.

TALMADGE MITCHELL eyes a certain girl in the Freshman Class.
Let's hope she won't attract his attention and he can pass.

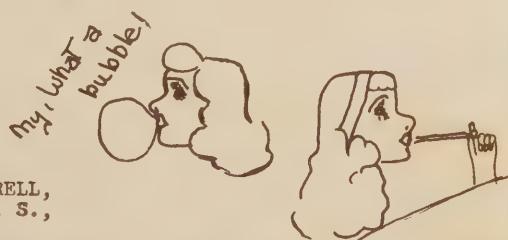

HAZEL BATTE is the smartest in the class;
If she will help the rest of us, maybe we
will pass.

RYLAN PRITCHETT is at his best
When he's working hard trying to rest.

DOROTHY STARKE was always quiet from the start;
But when she begins talking she does her part.

MARGARET MATTOX and MARJORIE HARRELL,

FRESHMEN

Front row: Alton, Jeptha, Billy Starke, Vivian Harrell, Juliette Carter, Tom Doctor, Ned Hall, Jeptah Harrell, Walter Harrell. Second row: Nedra, Lancy Graham, Jacqueline Bell, Emily Berdahl, Lucille Alter, Virginia Joyner. Back row: Lucy Keul, Louise Robbins, Jean Smith, Marie Harrell, Lois Starke.

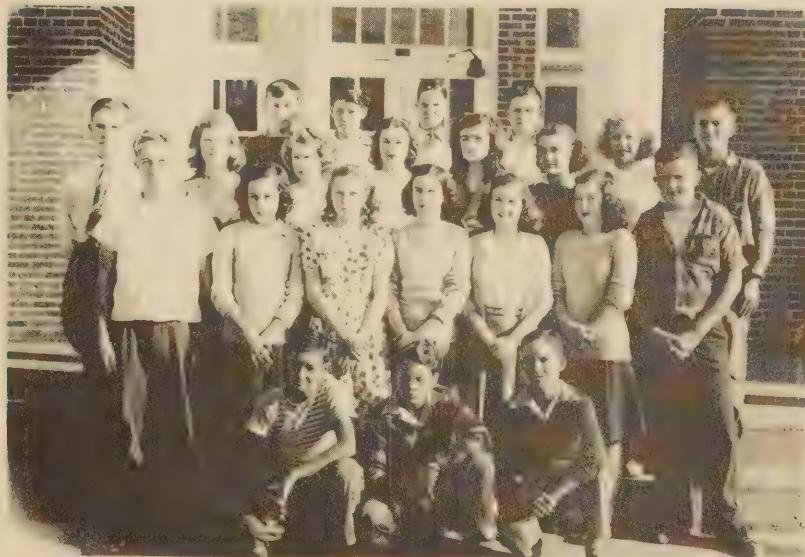

If, by chance, you happen to be ambushing around and enter the Freshman Classroom you'll be as much amused as everyone else at Lucy's jokes and antics. She is witty, lit'ral, full of athletic and literary energy. Before you can take another step you are at a pocket over by Lucy and Nedra jitterbugging. Both girls are always cheerful and they participate in all sports. Louise and Nedra are over in the corner trivisiting Latin. Both are good students and seem to enjoy their studies. Vivian is painting pictures of horses. She is a very talented artist and we think she will make good in that field someday. Next you see Juliette who always has a friendly smile for everyone. We know she will find the best in life. Emily and Nedra are the two quiet members of the class. We feel that wherever their interests lie they will be successful. Then you will spy Jean and Lois who are understanding and good friends. They are everybody's friends. Virginia is collecting her stamp collection. She is always kind and willing to work for the good of others. Lentie is in the air raid that same friendly manner. She does her part well and takes part in all school activities.

The four boys, Jeptha, Ned, Alton and Walter are standing over by the rabbators. Alton is trying to pull the fingers of Jeptha's hand. Both boys are always pulling jokes which fill everyone with a merriment spirit. They are intelligent, and pleasant and they get the fullest joys from life. Walter and Jeptha are playing with that relay telegraphy set in the room. Carter finally walks over and takes it from them. Jeptha and Carter bring happiness to the world and bring happiness to them about them.

During the school year two of the members of our class, Jean Smith and Jean Harrell, left us.

The weekend of November 1, 1946, Jean Flowers, Ramona Harrell, Ralph Owen, Richard Nelson, and James Prince attended the State S.C.A. Convention held at Thomas Jefferson High School in Richmond, Virginia. These representatives brought back many helpful ideas presented by other schools. From their reports we gather that they had a most enjoyable as well as educational stay in Richmond.

Margaret Hogarth, Jean Flowers, Marjorie Harrell, Nancy Graham, and Jarman Whitby represented our S. C. A. at the District S. C. A. meeting held in the Petersburg High School, April 23, 1947.

Through the cooperation of the students, the Student Cooperative Association feels that it has gone far in accomplishing its objectives.

Halloween Party

Jarratt High School held its Halloween celebration on Oct. 31, 1946. The doors opened at 6:00 P. M., at which time a very enticing supper was served. Before the program there were games in which both young and old participated. Mrs. Lindamood directed a very enjoyable program. It began with a dance by Edna Hall, Nancy Graham and Hazel Pryor Batte followed by two skits by the first and second grades. Then came two numbers by the High School Glee Club. The program ended with a play entitled "Mrs. Marlowe Goes To The Ball", in which "Dickie" Nelson stole the show. With the end of the program, there were several costume parades in which those chosen by the judges were awarded prizes.

The library door then opened to all who wished to play Bingo, which was under the supervision of Mrs. Ricks. I am sure that it was the most successful entertainment of its kind ever carried out in Jarratt High School.

Christmas Program and Party

On December 20, 1946, a Christmas program was enjoyed by the entire school. Mr. Roberson gave an inspiring talk which was followed by a play "Don't Tell Me It's Christmas." The leading part was taken by Mary Rogers Burruss. We had a number of Christmas carols sung by the Glee Club: "Deck The Halls", "Silent Night", and "Come All Ye Faithful." The Program was beautifully given. The audiences joined in the last song. Then the High School gathered in the lunch room for a most enjoyable time. The room was beautifully decorated with red and green paper. In the corner was a lighted Christmas tree that added much to the appearance of the room.

When all had gathered, we sang "White Christmas." The games started by the girls shaking hands with the boys. Mr. Nelson and Mrs. Lindamood added much to our party by participating in the games. They caused much laughter by feeding each other with baby bottles while blind-folded.

After this we had a contest with ten girls competing for the most proposals from ten boys. Prizes were given to Jean Flowers and Mrs. Burruss. When the games were over we had most delightful refreshments. We enjoyed jelly with whipped cream and cherries, cake and salted peanuts.

After giving out the gifts and giving thanks for a peaceful Christmas and many good friends, we parted eager to crowd as much enjoyment into the holidays as possible.

Basketball Party

On Thursday evening, January 30, 1947, after a hard day of examinations the basketball players and their guest met in the school library to celebrate a successful year in basketball. To "start the ball rolling" we formed different groups and contested for the best amateurs. We played several other games after which we assembled in the lunchroom. A toast was made to the players and--then--We--Ate!!! Eating as much as our diets would allow, we journeyed back upstairs to the library where we all enjoyed two "whole" hours of dancing. Bidding each other a sweet "Nightie-night" we departed wondering, "WHY DOES IT GET SO LATE SO EARLY"?

The only thing which made our evening incomplete was the absence of Mr. Burruss who was ill at the time.

SENIOR PLAY

The Seniors of 1947, selected the play, "RING OF TRUTH", by Charles George which was given May 16, at eight o'clock in the High School Auditorium. It was a comedy of three acts, earlier entitled "HOT CHOCOLATE!"

Telling the truth is an admirable quality, but the truth often hurts and most people hate to hear the truth. So you can imagine the screamingly funny situations that arose in that merry play. Julia bought a magic ring from a gypsy woman who told her that whoever wore that ring could not help but tell the truth at all times and at all costs. Julia laughed at the woman's superstitious belief, but when she wore the ring, she found herself blurting out the most awful truths and throwing everyone into chaos. And worst of all, she could not remove the ring from her finger, no matter how hard she tried. But the adage "truth is right and truth is might" proved to be correct, for in the end Julia saved a large and well-established business from collapse and prevented several families from being unhappy through her truth-telling.

JUNIOR-SENIOR BANQUET

On the night of April 25, 1947, the Juniors entertained the Seniors most lavishly in the school lunchroom and library.

"Good Luck" was the theme of the nicely arranged program which consisted of the following:

Invocation, Mr. Nelson; Toast, Richard Nelson; Welcome, Teresa Bendall; Response, Ramona Harrell; "Beliefs about Luck", Jean Flowers, Music by Lucy Neal; Dinner: "How to Fortell the Future", Orelia Owen Senior Prophecy, Irwin Mitchell; Talk, Mr. Roberson; "Real Essentials for Good Luck", Marie Hall.

After a short intermission we all gathered in the library, which had been decorated in green and white, the school colors, for a few hours of enjoyable dancing.

THE GLEE CLUB

The Jarratt High School Glee Club, under the able direction of Mrs. R. L. Lindemood, was composed of about twenty-five high school boys and girls this year. From the opening of school in September the group worked with Mrs. Lindamood to learn many new songs. From time to time the Glee Club contributed songs to assembly and S. C. A. programs. But it was on March 22 that the group did its best work. On that date the Glee Club went to Norfolk to compete in the class C music festival. Owing to an epidemic of influenza six girls and one boy were unable to go.

"That Is Jean", a three part chorus, composed by Benjamin Godard and arranged by Noble Cain was used for the girls number. They received rating II; Excellent.

The mixed chorus sang "Bow Down Thine Ear", composed by A. S. Arensky, arranged by Gordon B. Nevin, a S. A. B. number. The boys' voices added color and variety to the group. This song was awarded rating I; Excellent plus.

Lucy Neal contributed the following piano solos:

1. Rondo I by Mozart.
2. Choral by Bach, a hymn transcription.
3. Sonata 7 by Mozart.
4. A sight reading solo by Beethoven.

She won rating II; Excellent.

BACCALAUREATE SERMON

The Baccalaureate Service was held in High Hills Baptist Church on Thursday evening, June 5, 1947, at 8 o'clock. The program was as follows:

ATHLETICS

ROY'S BASKETBALL TEAM

Not more than ten boys answered the first call for practice but among them were three letter-men from last year's team, Ralph Owen, Willard Moore and Rylan Pritchett. There were several eager new-comers, however, and these together with the letter-men soon gave evidence that we would have another good team. The boys set to work with a will and we soon had a smooth working combination, which played excellent basketball throughout the season with the exception of a few very erratic games.

The team played as a member of District C of the Virginia High School League. It played all members of the district and some teams outside. Eleven games were played in the regular schedule and our record was as follows for our team. A total of 425 points were scored against a total of 34 for the opponents.

This record gave the team first place in the district and it went into the tournament with high hopes of winning the championship, but in the first game it ran into a vastly improved Midway team and lost 27 to 32. Midway went on to win the tournament.

We played a post season game with Waverly and won it by a ten heavy score. All in all it was a most successful season. Members of the team were: Ralph Owen, Carl., Willard Moore, Rylan Pritchett, Kelvin Leonard, Richard Nelson, James Prince, Edmund Mitchell and Alton Owen.

GIRLS' BASKETBALL

When the girls' basketball team started last year, a majority of last year's team were seniors. Miss Mary McElrath, coach, faced with the problem of developing a team from an inexperienced group of girls. She had a nucleus of several girls: Captain Jean Wheeler, Patricia Moore Doyle, Marjorie and Marie Harrell, who had some experience, but the other members of the squad were all out for the first time.

As was to be expected the team was slow and the playing ragged in the first game of the season against McKenney. However, our girls managed to make it a fairly close game, losing to an experienced McKenney team by the score of 18 to 10. The team showed rapid improvement and the next week, under the spirited leadership of Jean Wheeler, beat Drewryville 29 to 10. From then on the team played fast and exciting basketball and won easily in all its games. It played as a member of District C of the Virginia High School League and ended the season as third in the standings.

In the District C Tournament, held at Dinwiddie, the third place Jarratt team was pitted against the first place McKenney team in the first game and we lost by a one-sided score. The members of the team were, Jean Wheeler, Captain; Patricia Moore Doyle, Marjorie Harrell, Marie Harrell, Jean Flowers, Juliette Carter, Jacqueline Dillard, Nancy Graham, Jean Smith, and Margaret Mattox.
